WANDERER INLANDS 3RD & 4TH OCT. BEWL VALLEY S.C. – CRASH AND BURN!

[View Mike Hamilton's Photo Slideshow here](#)

In horrendous conditions on Saturday 3rd October, the Wanderer Inlands at Bewl Valley SC went ahead as planned. The forecast had probably put some people off, but there were 13 entries, including 5 boats from Bewl, 5 from Whitstable, and 3 other visitors. Racing was cancelled in many areas, but they sail in all weathers at Bewl! We shared the water with about 50 Optimists who were having a training day. They managed amazingly well in the conditions, and in the changing room afterwards remarks could be heard such as "I was going about 100 miles an hour, then I fell over!" and "I capsized in every race! And I came 8th!"

Despite having to use his engines to keep the committee boat on station, Race Officer Adam Page got the first race under way in a WSW wind of force 5 gusting up to force 7. Maximum wind speed recorded, 34 kts. Only 4 Wanderers made it to the start line for race 1. One of them (Mark Fagg and Ali Nicolson in W989) after having capsized twice on the way. Others set out from the shore only to decide that discretion was the better part of valour. Bob Grainger and Nick Millard in W1041 led off, closely followed by Gavin Barr and Mark Skipper, W1282. Going up the beat was hard work indeed. Once off the wind spinnakers were not deployed, and tacking round was the sensible option rather than going for the gybe. Bob and Nick reached the windward mark first and held the lead until the second gybe mark on the "Inverted P" course, when an ill-advised gybe was their undoing. Mark and Gavin now took the lead, and held on to win, despite a knock-down on the second beat, and being forced to sail the rest of the beat on mainsail only with the jib furled. The last hectic reach was sailed in survival mode, boat and crew almost invisible in a cloud of spray. The only other boat to finish was Donna Hender with David Lowes in W1351, who struggled home valiantly in 2nd place after a torrid sail.

For race 2 conditions had eased slightly, although still very heavy in the gusts. Mark and Ali led off after a great start and held the lead right to the last leg when Gavin and Mark, picking up a violent gust, reached past at high speed to win by half a boat length. Bob and Nick again sailed well to take 3rd and another local boat, Mike and Tiff Nairn in W1243 were 4th. Mike Hamilton and David Oats, W992, started their campaign with a 5th, slightly spoiling the effect by capsizing after the finish...

Sunday brought much lighter conditions and the full fleet took to the water. There were even (a few) spinnakers flown. With 2 wins already

in the bag, Gavin and Mark set off determined to continue the trend and with excellent boatspeed held the lead throughout. A serious battle developed behind them, but local sailor Mike Nairn with daughter Tiff came through in 2nd, just ahead of Bob Grainger and Nick Millard. Race 4 produced a similar result, but this time Will Lowes and Ian Hender in W1195 took 3rd, and Mike and Lesley Bennett produced their best result of the weekend in 4th place. Time for lunch!

Gavin and Mark now had the series won, but went for the full house in race 5. They managed this, just, despite the efforts of Mike Hamilton and David Oats, W992, Mike Nairn, and Bob Grainger. Mark Fagg and Ali Nicolson, and Will Lowes and Ian Hender, were also well in the mix, although the latter were disqualified due to an OCS.

Overall results:
